

STORMWATER AND SEDIMENT CONTROL CERTIFICATION

“I certify that the City of Greenville may enter the property stated on the permit application for the purpose of investigating and inspecting land disturbing activities at a frequency deemed necessary to carry out the duties prescribed in the Soil Erosion and Sedimentation Control Ordinance.”

“I hereby further state that the land disturbing activity will be accomplished pursuant to the approved stormwater management and sediment control plan and that competent and responsible personnel will be assigned to the project.”

“I understand that failure to implement control practices according to the approved plans will result in penalties as prescribed in the ordinance and/or in a stop-work order.”
